

The background of the slide features a stack of several old, worn books with dark covers, standing upright on a dark wooden surface. The lighting is warm and focused on the books. Overlaid on this image is the title 'Sin of Complacency' in a large, blue, rounded font with a white outline. The word 'Sin' is on the top line, 'of' is on the second line, and 'Complacency' is on the third line, spanning across the width of the image.
